The Plus in "Packer's"

IF the action of Packer's Tar Soap were limited to *cleansing*, would thousands of men and women today associate the name "Packer" with shampooing?

To be sure, shampooing with Packer's Tar Soap does remove waste material, which is highly important—but not *the* most important function of this famous shampoo preparation.

From the regular use of this pure, pine-tar product you will obtain benefits, through its capacity for both *cleansing* and *invigorating* the scalp tissues, which will soon be manifested in the improved health and beauty of your hair.

And of course, right from the start, you will experience the sensation of refreshing cleanliness which your "Packer" shampoo never fails to bestow. *Send 10 cents for sample half-cake.*
